# Why Should Attend ?

*Microsoft's Outlook is an irreplaceable tool for countless organizations and a veritable legion of people around the globe—but it's not a beloved one by any stretch. Nobody actually enjoys sifting through a stuffed inbox or responding to meeting requests all day long; you want to open your inbox, do what you need to do, and get the heck out as fast as possible.*

*That's where these Outlook organizational best practices come in. Adopting the best practices will make diving into your inbox less painful—and far less time-consuming.*
