How to Achieve Flawless Execution

Presented by David Rohlander

Flawless execution is the ultimate practical behavior that the most successful companies strive to attain. The stories about Steve Jobs demanding perfection at Apple are legion. The quality and design excellence of Apple products is also common knowledge. This webinar will show you how to attain flawless execution without sacrificing people or human dignity. Errors, mistakes, and oversights are some of the most expensive problems in business today. It doesn't have to be a big problem if you commit to striving for flawless execution. Quality execution is not easy to attain but it is within reach if you make a serious commitment, apply lots of passion and of course, a plan.

The One Minute Manager®: Goal-setting, Recognition and Redirection

Presented by Chris DeVany

Management is both a science and an art. The science is in making people more effective than they would have been without you. The art is in how you achieve that. We will help you more effectively use each minute to accomplish your task of goal setting, praising or reprimanding. Many of these principles and teachings can be applied to both of your professional and personal life. Would you like to become an effective manager without spending week after week on the job management training? If the answer is YES, you have come to the right place.

Interviewing Skills for Managers and Supervisors
