PRESENTED BY:

Audrey Halpern is a soft skills training facilitator consultant with 20+ years of experience. Audrey is currently a faculty member of the American Management Association.

Date : July 21, 2021

Time : 01: 00 PM EST

Duration : 90 Minutes

Price: \$149

Webinar Description

There are a couple of key techniques that are specific to remote management. Trust needs to be established quickly when working with remote team members, as well as communicating expectations to collaborate towards successful outcomes. You need tools that will help you to influence others to address differences and establish credibility while learning how to supervise across time zones and even cultures. In this webinar, you will learn how to communicate, establish trust and build strong working relationships.
