# Webinar Description

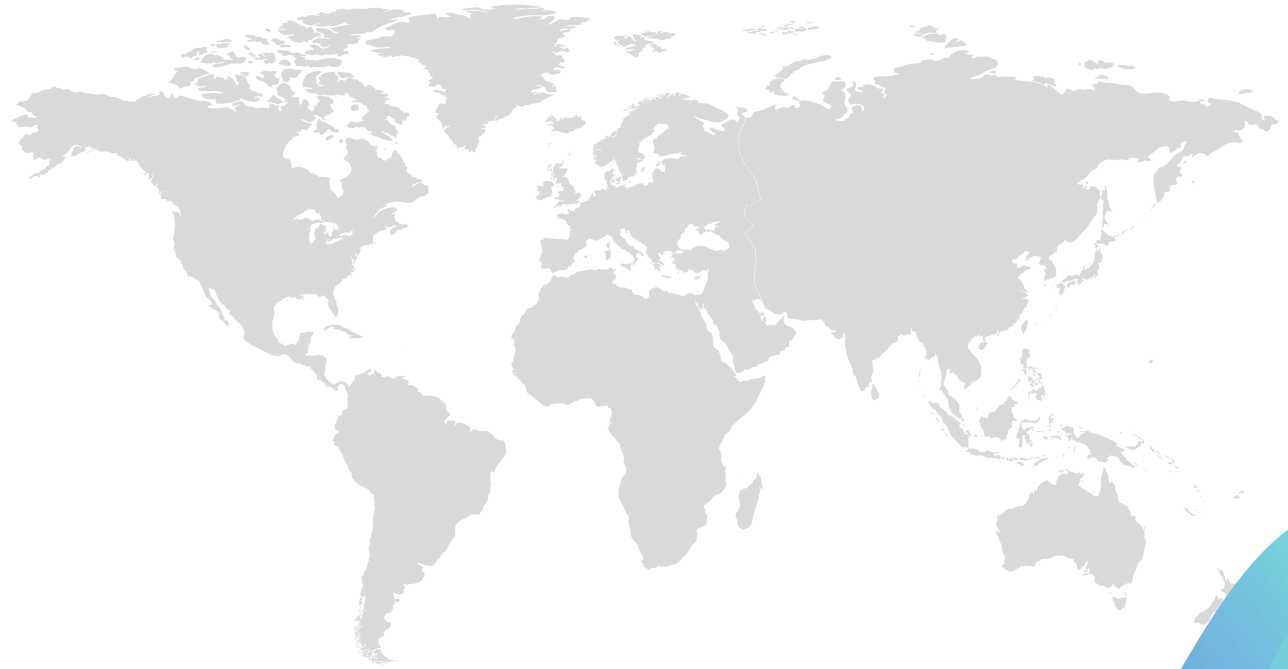

The bottom line is that you will acquire new tools to help you be a more effective virtual team leader. All the research tells us that people are our most important resource so it makes sense to develop that resource as best we can. Join Larry for a one-hour webinar that will give you the tools to maximize the power of those who work for you.

Whether your employees are occasional home-workers, or out of the office most of the time, whether they're all in the same city or spread around the globe, whether they sometimes meet face-to-face or never see each other, managing these far-flung individuals can present challenges for any manager or team leader.

# Who Should Attend ?

*Anyone who manages or is about to manage  
a remotely located team*

# Why Should Attend ?

The challenges of managing a remotely located team include:

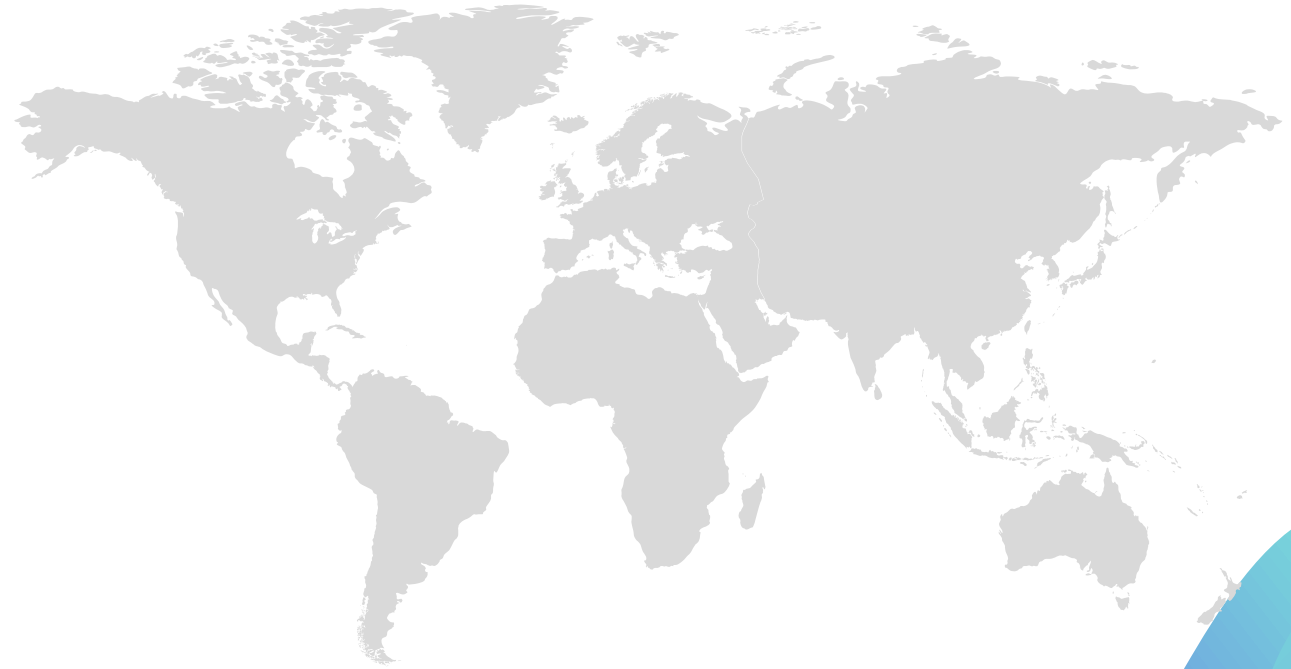

*Overcoming the fear of losing control*

*Keeping in contact*

*Helping team members stay on track*

*Keeping team members motivated*

*Avoiding team members gaming the system*
