Webinar Description

Management is both a science and an art. The science is in making people more effective than they would have been without you. The art is in how you achieve that. We will help you more effectively use each minute to accomplish your task of goal setting, praising or reprimanding. Many of these principles and teachings can be applied to both of your professional and personal life.

Would you like to become an effective manager without spending week after week on the job management training? If the answer is YES, you have come to the right place. This Webinar teaches you how to become an even more effective manager within ninety minutes. The Webinar material is based entirely on Ken Blanchard's phenomenal bestselling classic, *The One Minute Manager*. This is a concise, easily read story that reveals three very practical secrets towards becoming an effective manager: One Minute Goals, One Minute Praising, and One Minute Reprimands. We will address the principles and lessons behind effective managing. This Webinar will help you become familiar with *The One Minute Manager's* techniques, increasing your productivity, job satisfaction, and personal prosperity.
