PRESENTED BY:

Dr. Laura McGuire is a nationally-recognized trainer, subject matter expert, and inclusion consultant. In 2018 she founded The National Center for Equity and Agency to further her mission of healing the structural inequalities that lead to interpersonal violence and marginalization. Dr. McGuire lives in the United States, where she works as a full-time consultant and expert witness.

On-Demand Webinar

Duration : 60 Minutes

Price: \$200

Webinar Description

Diversity and inclusion are hot topics in organizational design and development but are often misunderstood. This course will guide participants through the basic tenants of diversity and inclusion in practice.

We will discuss the difference between diversity and inclusion, the differences in inequality and equity, conscience and unconscience bias, and areas of potential growth. Participants will leave with actionable tools to begin increasing diversity and inclusion in the workplace.

Anyone looking to increase their understanding of what diversity encompasses and better implement strategies to bring about inclusion will greatly benefit from this course.
