Current Leadership Coach/Training Consultant for the international Embry-Riddle Aeronautics University at the Daytona, FL headquarters

On-Demand Webinar

Duration : 60 Minutes

Price: \$200

Webinar Description

Imaginative Mind x Informative Message x Inspiring Messenger x Interactive Medium.

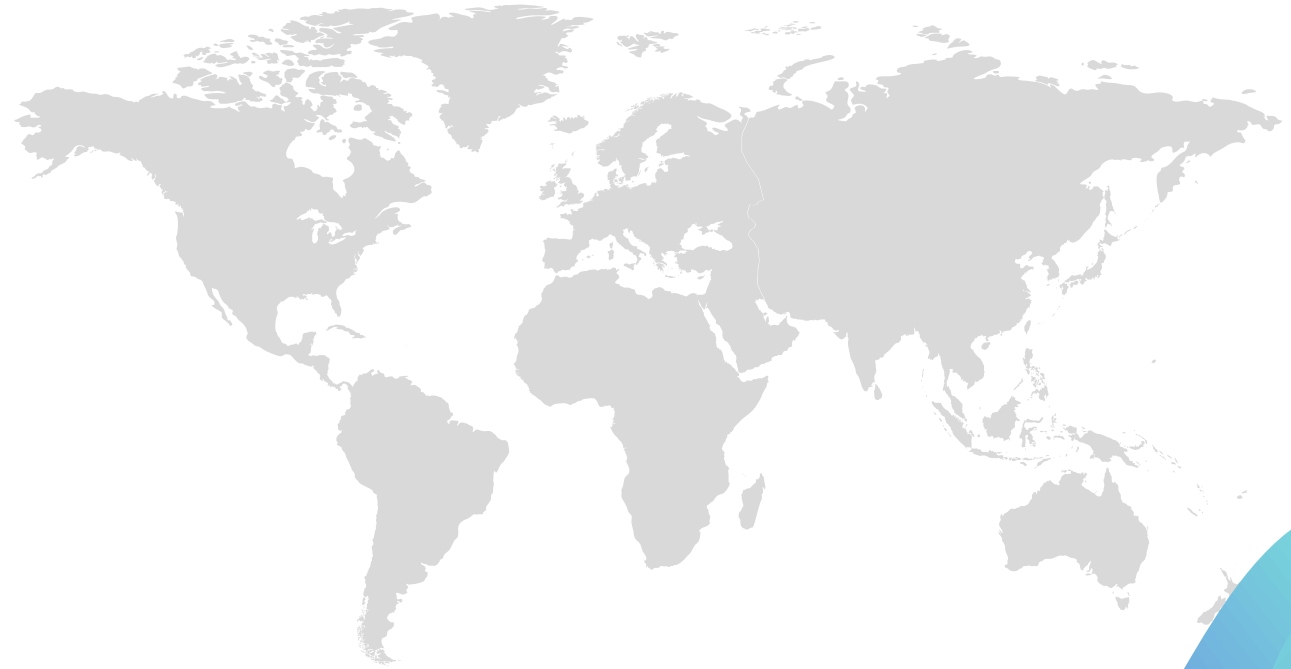

Perhaps you can deliver a clear message... But do you know how to compel and captivate a team, a boardroom, or an audience? In fact, do you know the difference between compelling and captivating, and why it's vital for "Hi-Task & Human Touch" Leadership? Next, are you ready to discover and develop your "Passion Power"™? Are you prepared to pull it all together and become an IM4 Performance-Leader?

Not a small challenge... But, have no fear, the Stress Doc is here with his clear and concise, compelling and captivating Performance Leadership skills and strategies, tools and techniques. Let the Doc awaken, arouse, and amaze you with his "Get FIT" – FUN-Interactive-Thought-provoking – programs and presentations. For both individuals and groups, learn to creatively anticipate, envision, and design your leadership mindset and motivational method. Turn concepts and skills into dynamic, "how to" learning and leadership lab exercises. Bring your courageous and vulnerable, genuine and compassionate, and TnT (Tough n' Tender) self. Discover a "Helmet's Off" approach for building group openness, trust, and collaboration. Finally, evolve as an inspiring orchestra leader helping individuals and the collective bring out their best – most productive-collaborative-innovative – music!

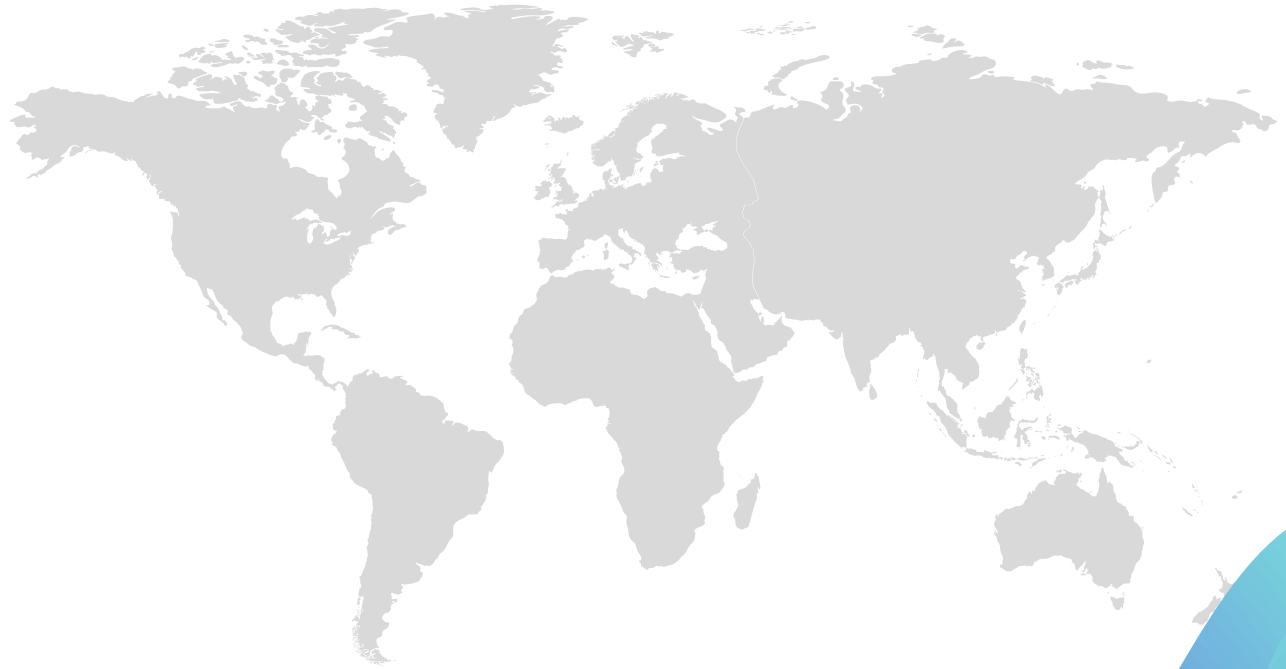

Who Should Attend ?

*All level of supervisors, management,
CEOS.*

Why Should Attend ?

This webinar is for all individuals desiring to be high-impact communicators, educators, and leaders; who want to deliver leadership substance and style that connects with and compels, motivates, and even inspires a diverse workplace. You will learn the step-by-step process for preparing presentations, for engaging both the head and the heart, for helping others integrate high-task and human touch. Discover the difference between compelling and captivating; understand when it's better to be compelling and when to be captivating. This presentation also for those desiring tools and techniques, including small-group exercises, for being high impact-communicators whether at a team or all-hands meeting, in a boardroom or at a conference.
