

Webinar on

Rest Periods, Meal Breaks, And Overtime – Oh My! What You Need To Know About Wage & Hour Laws

Learning Objectives

Learn the federal rules regarding rest periods, meal breaks, and overtime in order to stay compliant with wage & hour laws

Gain insight into the DOL and the areas in which they are most concerned

Understand the most common pitfalls and learn how to draft policies and procedures that avoid missteps

This webinar gives employers the rules and regulations that need to be followed and also offers tips and techniques to avoid the pitfalls of the wage & hour world.

PRESENTED BY:

Julie Proscia provides labor and employment counsel that is outcome based. Before giving advice, she asks her clients what they want or needs as the outcome of their matter; then skillfully crafts a pragmatic, business-centric solution to the issue.

On-Demand Webinar

Duration : 90 Minutes

Price: \$200

Webinar Description

Once an employee punches in, it is not just the start of their day – but also the start of an employer’s review for wage & hour compliance. Non-exempt or hourly employees are subject to and required to be given different meal breaks, rest periods, and compensation for things like travel time. This webinar gives employers the rules and regulations that need to be followed and also offers tips and techniques to avoid the pitfalls of the wage & hour world.

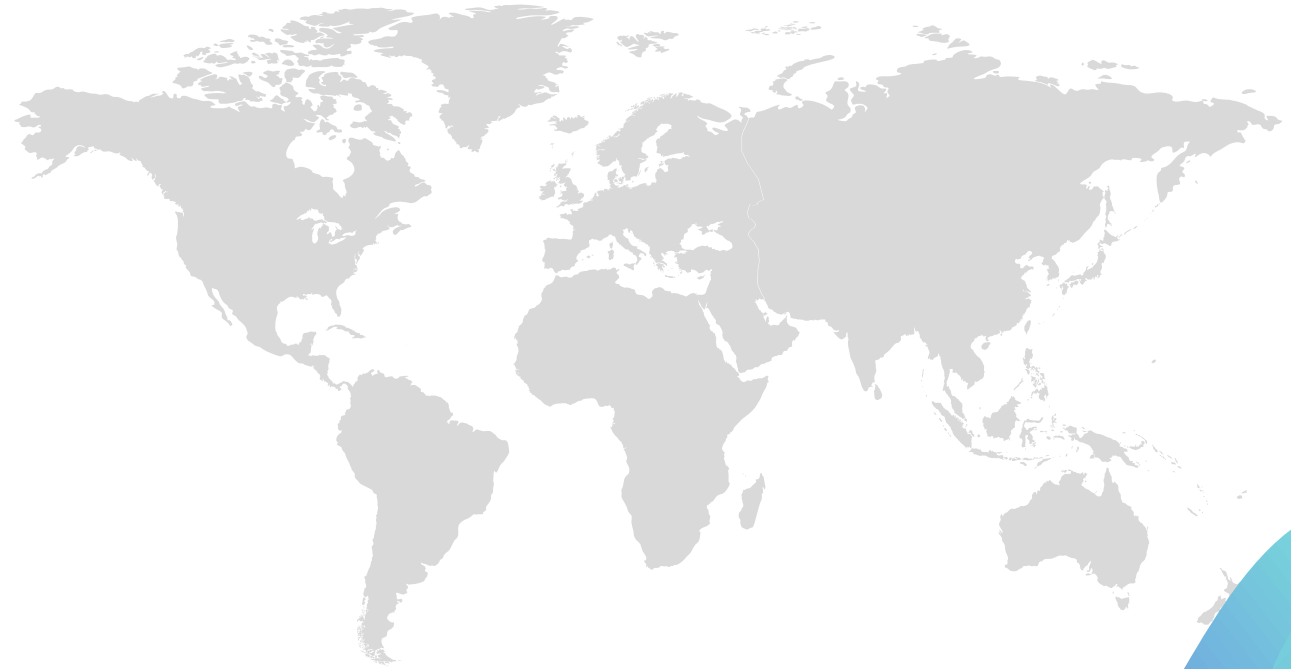

Who Should Attend ?

Supervisors

Human Resource Professionals

Small to Mid-Size business owners

Members of management

Why Should Attend ?

Wage and hour issues, particularly issues related to meal breaks and travel times, are an ever-evolving area of litigation-both at the administrative and judicial level. These issues are also the most costly for companies. Errors in wage and hour computation are ripe for class actions and lead to increased penalties and damages. The good news is that they are also the easiest to rectify and thus avoid. This webinar will give you the knowledge and tools to review your current practices and the tools to ensure and build compliance.
