# Why Should Attend ?

*If you are looking for ways to attract and retain employees for your organization, then this session is for you. Many organizations are challenged with attracting, retaining and engaging their workforce. Many hiring managers say they lose their new employees within 6-12 months of employment.*

*So, if this is your organization- Do you know the difference between new hire orientation vs onboarding, what are you doing to acclimate your employees, do you have a robust onboarding process, and are you engaging employees sooner rather than later into the organization? If you answered no to any of these questions, this is a session you don't want to miss. This session will provide some best practices for developing an onboarding process for multi-generations in the workplace.*
