Webinar Description

The Uniform Commercial Code was created to minimize risk and make it more attractive for companies to extend credit. It provides creditors protection in the event of their customers' default or bankruptcy.

Attend this webinar to learn how UCC filings can offer:

- PROTECTION when your customer files Chapter 7, Chapter 11, or defaults
- OPPORTUNITIES to take first priority in your inventory or equipment
- AN INCREASE in your comfort level when there is risk involved in marginal accounts
- COLLATERALIZATION Banks consistently require collateral against the credit lines they extend; trade creditors can do the same

Who Should Attend ?

Controller

Credit Manager

Collections Manager

Accounting Manager

Why Should You Attend ?

Worried about customers filing bankruptcy?

Concerned about extending credit to marginal accounts in this uncertain economy?

UCC filings secure collateral in agreement with your customer's promise to pay.
