John Misock - is serving in his fourth career as Senior Consultant with Ceutical Labs, Inc. Flower Mound, TX. John retired from FDA's Office of Cosmetics and Colors in June 2019 where he served as an SME in the areas of personal care product microbiology and manufacturing (GMP's). He graduated from The Ohio State University and the University of Wyoming. He was promoted to Deputy Commissioner of Agriculture prior to leaving for Este Lauder.

On-Demand Webinar

Duration : 60 Minutes

Price: \$200

Webinar Description

It is important for contract manufacturing operations, whether they are in the cosmetic, drug, or device industries to have a Quality Agreement in place. This webinar will teach you what a Quality Agreement is, why you need a Quality Agreement, where and when Quality Agreements are needed, and who should prepare, review, and approve a Quality Agreement.

Who Should Attend ?

Quality Assurance, External

Manufacturing/Outsourcing, Regulatory Affairs,

Compliance, Purchasing.

Why Should You Attend ?

Do you know what a Quality Agreement is? Do you know what should be included in a Quality Agreement? Do you know why you need a Quality Agreement? Do you know when a Quality Agreement is needed? Do you know who should prepare, review, and approve a Quality Agreement? Do you know what the responsibilities of the over vs. contract facility are? FDA is looking for Quality Agreements during inspections.
